June Field Day

The June field day was an open beaches event held over Saturday 16th and Sunday 17th June. Moderate swells and northerly winds were the norm for the weekend. The 32 members who attended fished for the heaviest Flathead. Overall 131 fish were caught with a total mass of 117.35kg were weighed in, of which only 3 were Flathead.

RESULTS:

Men's – Trevor Hembley
(380g Flathead)

Ladies – Kerry Pascoe (345g
Flathead)

Mini Juniors – Lucas Van
Reeken (heaviest bag – 40.8
points)

Only one competitor fished in the Juniors category, so no competition winner but fish caught still went to the anglers points tally.

Heaviest scale remains unbeaten and Shane Van Reeken now holds the title of angler with the heaviest skin fish, a 14.75kg Wobbegong Shark.

Next Field Day

Closed beach at Blue Holes on 18th and 19th August. Meet at the cattle yards at 2pm. Incentive is the heaviest shark, not including Wobbegong.

July Field Day

Held over the 21st and 22nd July, this open beach field day saw 29 members fishing for King George Whiting as the incentive fish.

Saturdays weather was calm with moderate swells, but that changed for Sunday with higher than normal tides, quickly rising swell and scattered showers.

Despite the weather, two anglers managed to bag King George, with Michael Barret weighing in a 360g specimen to win the men's title. Kerry Pascoe had the heaviest bag in the ladies division (4.3kg) and Cooper Laing had the heaviest bag in the Mini Juniors. Neither of the 2 juniors managed to weigh in a fish.
