## October Field Day

The October field day was held at Peaceful Bay, within a closed area from Irwin Inlet Mouth to Rame Head. Fishing occurred over the weekend of the 21<sup>st</sup> and 22<sup>nd</sup> of October.

Fine weather although very windy on the Saturday allowed some fishing, however these abated on the Sunday and the fishing was easier. Incentive fish for this weekend was King George Whiting. Although there were 35 starters, the weigh in was not well attended. Consensus was there were not many fish in Peaceful Bay and the next competition needed to be an open weekend.
