31st Rainbow Coast Fishing Competition Success

The Rainbow Coast Fishing Competition held on the weekend of the 20th and 21st January 2018 was a huge success, attracting a field of 79 competitors. These were made up of 47 men, 13 women, 8 juniors and 11 mini juniors. The competition attracted a range of members and non-members. The boundaries were once again Mutton Bird to Blue Holes. The weather was typical for the club fishing weekends, with cool conditions and strong easterly winds on the Saturday. Winds became lighter on Sunday morning but most anglers agreed that the weather made fishing difficult.

The weigh in on Sunday was well attended, however only about a half of the field were able to weigh in any fish. The club members incentive fish as Salmon. The winners of the club competition were:

Mens: Brad Pope 4.35kg

Womens: Elena Pope 4.35kg

Juniors: no salmon caught

Mini Juniors: Sierra Jones

Overall 421 fish were weighed in, for a total of 223.49kg.
